2018 Vendor Rules of Operation

Application Deadline: Complete application packets from all vendors must be postmarked by **Monday, April 2, 2018**. **Early Application Discount for full season vendors! Save \$25 if you submit this application AND payment by Monday, March 5, 2018.** Applications will be considered in the order in which they are received and according to space availability, quality of product, and the general good of the Market.

Products: MGFm is committed to making this Market productive and successful for the vendor. Every effort will be made to promote the Markets and to attract both new and repeat customers. We welcome **foods, food-related products, farm-produced products** (soaps, honeys, etc.) and **other value-added items** (gifts and decorations, etc.). We expect the quality of the products being sold to be high and to the greatest degree possible grown or made by the vendors themselves from locally-owned operations.

Fruits, vegetables and flowers need to be grown within the approximate range of 150 miles of Morton Grove. Please cooperate with our desire to offer only local produce to our customers. We are dependent on you to help us build a local food economy by bringing only in-season produce and flowers. We hope you join us in educating our customers about seasonality and the varieties of produce and flowers available in our Midwest region within a given season.

Market Committee members will be making visits to new vendors during the first year and all returning vendors as needed. We reserve the right to inspect any farm or producer when questions arise concerning the producer's items.

With the acceptance of this application we consider you as a partner in fostering the success of both the Morton Grove Farmers' Market and your own commercial venture.

Vendors' Responsibilities and Obligations

All vendors are required to follow directives from the Market Manager and the Village of Morton Grove public officials (fire, police, safety, health) at all times.

Inclement Weather: The Market will be held rain or shine. The Mother's Day Spring and Regular Season Markets are in an open area with no shelter provided. The Village of Morton Grove operates a lightning detection system. When activated, the Market reserves the right to close the Market.

Vendors are responsible for their own booths, including tents, tent weights, tables, chairs, signage, and other items. We require 25 pound weights securely fastened to each tent leg. ***For the safety of our customers, volunteers, and vendors, if a tent is found to have insufficient weights or if winds are at a dangerous level, the Manager On Duty has the right to demand the tent be taken down.***

Set up and Clean up: Vendors may unload their vehicles at their booths any time between 6:00-7:30 am. By 7:30 am, all vehicles must be moved from the market area, if applicable. All tents must be set up by 8:00 am. Clean up may not begin until 1:00 pm and must be completed by 1:30 pm. Vendors are responsible for removing their own refuse from the Market site. To allow for patrons to have easy accessibility to the Market, vendors should park on the outskirts of the parking lot after unloading.

Display: Vendors must display their products as effectively and as attractively as possible. Clearly this benefits the vendor as much as the Market in general. Vendor names, address, product prices and Illinois Sales Tax Number must be clearly displayed throughout the Market day.

Smoking: No smoking or other use of tobacco or e-cigarettes is permitted in at the Market. Smoking may only take place at least 15 feet away, upwind from the Market area.

Tax ID: Vendors must be registered with the State of Illinois and have a **valid IL Tax ID Number**. Applications will not be considered complete until the Market committee receives this number. If your license has not yet been received, please attach

a copy of your application. You may contact the IL Dept of Revenue: 1.800.356.6302 or www.revenue.state.il.us/businesses/register.htm.

Liability Insurance: Vendors must provide a certificate of insurance evidencing that the vendor has **public liability insurance** covering market activities in the amount of at least **\$1,000,000** for the period of the 2018 Markets. **The certificate must list the Village of Morton Grove and the Morton Grove Park District as additionally insured.** Proof of this policy must be sent in with the vendor application in order for the application to be considered complete. If the current policy expires during Market season, the vendor must submit a new certificate evidencing renewal of liability insurance.

Automobile Insurance: The vendor must also provide proof of **automobile insurance with liability coverage of at least \$800,000** for all vehicles expected to be at the Market. Proof of these policies must be sent in with the vendor application in order for the application to be considered complete. If the policies expire prior to the end of the Market season, the vendor must submit a new certificate evidencing renewal of liability insurance.

Giveaway Donation: Vendors are encouraged to donate an item to our free weekly drawing giveaway. Customers are invited to enter our free drawing at every market for a chance to win all the vendor donations as well as a Morton Grove Farmers' Market reusable bag. Feel free to include business cards, coupons, or other marketing materials with your donation.

PR: If you would like to promote your products, specials, etc. through MGFm, please e-mail your product descriptions, photos, logos, etc. to connect@mgfarmersmarket.com by the Tuesday before your market appearance. Information will be included in our newsletter and other public relations efforts as space allows.

Booths and Fees

A single booth size is 15' wide x 12' deep for produce farmers, 10' wide x 12' deep for all other vendors. Vendors may rent 1 booth or 2 booths. The Market Manager will try, depending on circumstances, to keep vendors who sign up for the entire Market season in the same location for the duration of the Market, but such location is not guaranteed. Vendors who fail to attend as scheduled run the risk of forfeiting their booth spaces and fees at managers' discretion. Those vendors who will be attending intermittently may have varying sites at the Market.

Full Season Booth Fees:

1 booth: \$250 Non-refundable fee for entire season (17 dates or more)

2 booths: \$450 Non-refundable fee for entire season (17 dates or more)

Early Application Discount for full season vendors! Save \$25 if you submit this application AND payment by Monday, March 5, 2018.

Single Saturday Booth Fees: \$30 Non-refundable fee per day per booth for those vendors interested in intermittent attendance (acceptance of intermittent vendors is at the sole discretion of the vendor coordinator). Vendors who wish to participate in 1-16 dates at the 2018 Market must pay the \$30/day rate.

Electricity: If you require electricity, please let us know what item(s) you plan to plug in and the number of amps required. We will do our best to accommodate your needs. You will be billed **\$10 per market or \$30 per season.** Vendors should be prepared with their own extension cords.

Payment: Please include payment for booth fee (either entire season or intermittent dates) with vendor application. All checks will be held until final decisions are made by the Vendor Committee. If accepted, vendor fee checks will be deposited and the vendor will be notified via e-mail or phone. If application is not accepted, original checks will be returned.

Applications without full payment will not be considered.

The majority of our vendor fees and sponsor donations are used to cover our operating costs and publicize the Market. We plan to once again accept the EBT program /LINK card /"food stamps" and offer double value coupons for eligible purchases.
